

## Based on the Baseball\_ball data.csv dataset answer the following questions:

### 1. Who are the Top 5 players having height more than average?

```
1 /*Who are the Top 5 players having height more than average?*/
2
3 SELECT name , height FROM Baseball_data
4 WHERE height > ( SELECT avg(height) FROM Baseball_data )
5 ORDER BY height DESC
6 LIMIT 5;
```

name	height
Mike Smithson	80
J.R. Richard	80
Steve Ellsworth	80
Stefan Weaver	80
Walt Bond	79

### 2. Name 2 players having least weight and must be left handed?

```
1 /* Name 2 players having least weight and must be left handed? */
2
3 SELECT name , handedness , weight FROM Baseball_data
4 WHERE handedness = 'L'
5 ORDER BY weight
6 LIMIT 2;
```

name	handedness	weight
Vic Davalillo	L	150
Sonny Jackson	L	150
